PROPOSED TEMPORARY CLOSURE OF A338 SPUR ROAD, ST LEONARDS & ST IVES (SOUTHBOUND)

I have received an application from RMS Ltd to close A338 Spur Road, St Leonards & St Ives (Southbound) between Ashley Heath Roundabout and a point approximately 6000 metres to the south. The closure has been requested to allow RMS Ltd to carry out surface preservation works. These works are programmed to commence between 22:00 - 05:00 from 16th July 2023 until 18th July 2023.

RMS Ltd will publicise the road closure in a number of ways: they will place information boards on the road in this area to inform the travelling public of the works; they will carry out a letter drop to local residents directly affected by the works; and they will sign a vehicular diversion route using the local road network. The following map shows the extent of the closure and the diversion route.

This document is for information only, however if you have any concerns about this proposal, please contact Jamie Igoe, (trafficteam@dorsetcouncil.gov.uk) by 28 June 2023.
