

PROPOSED HIGHWAY WORKS IN YOUR AREA

LOCATION: - A338 Spur Road

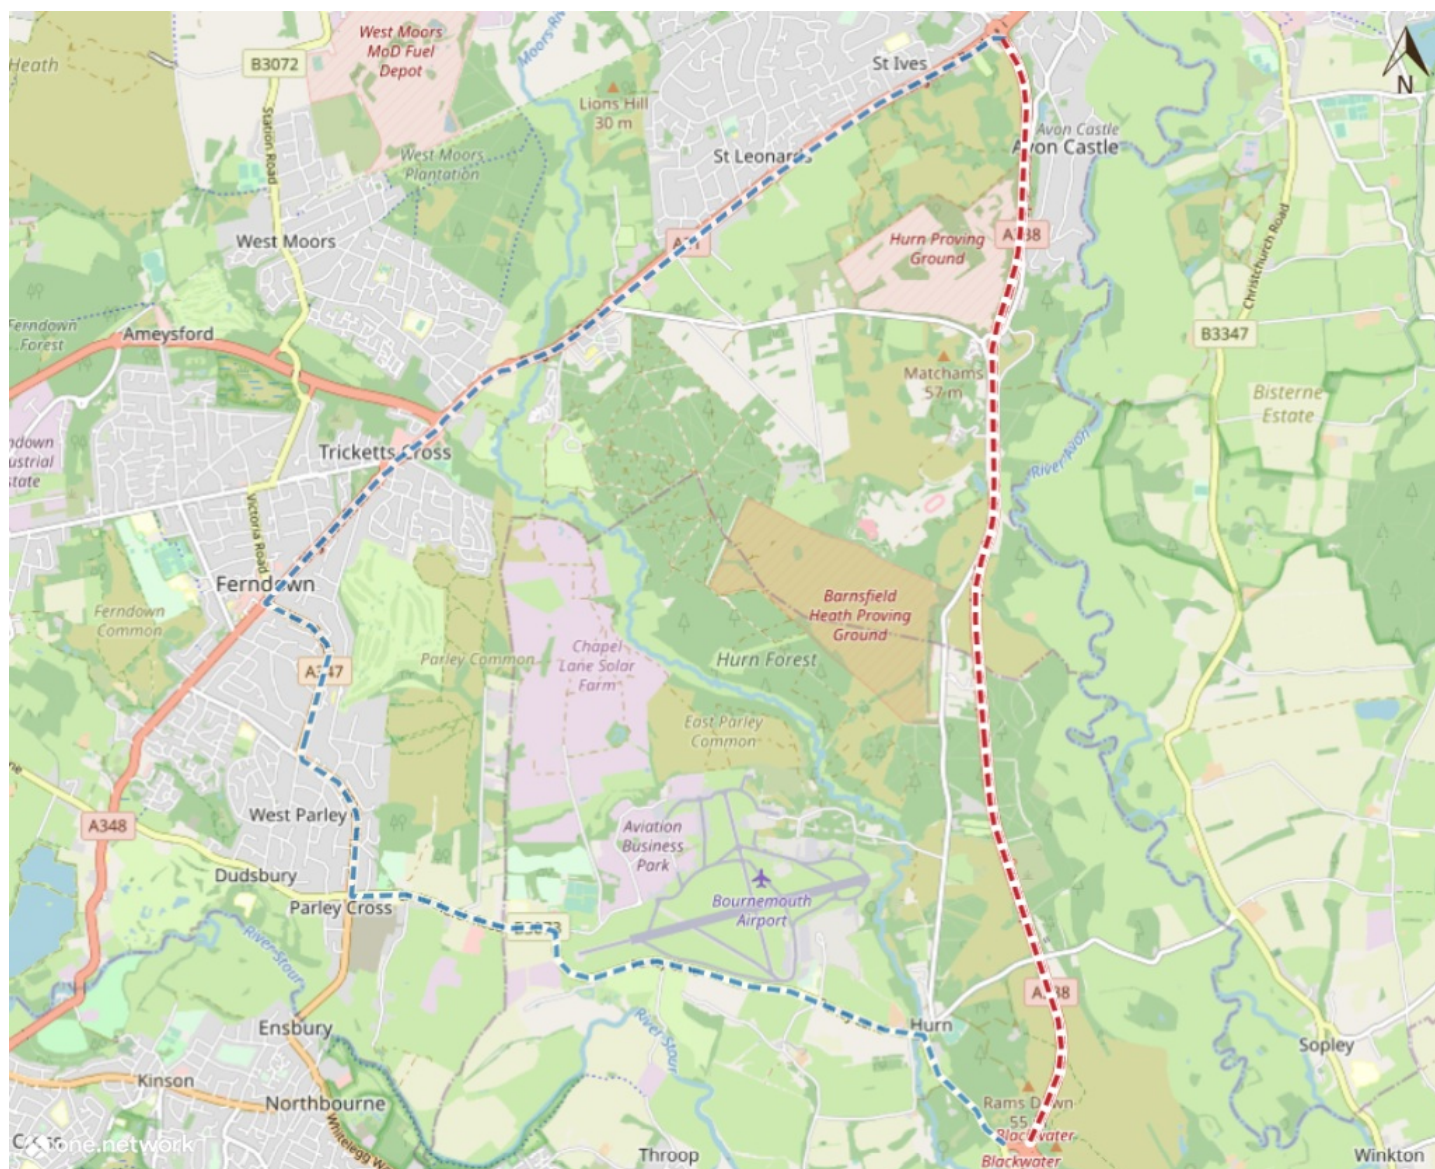

To enable us to carry out essential highway maintenance works, we plan to close A338 Spur Road between 6th November and 10th November 2023.

The road will be closed over night, between the hours of 21:00 and 06:00, and will be re-opened to traffic daily and at weekends.

We will be carrying out targeted and localised repairs to sections of those roads highlighted in red on the attached map. The recommended diversion route is marked in blue, and this will remain in place for the full duration of the above works. National regulations state that traffic must be diverted onto roads with the same classification as the one that is closed.

If you wish to discuss these works in more detail, please contact me using the details below.

Yours faithfully
