PROPOSED TEMPORARY CLOSURE OF VERWOOD ROAD, ST LEONARDS AND ST IVES

I have received an application from Wessex Water to close Verwood Road, St Leonards And St Ives between access to Hollygrove Farm and 1 Ashley Cottages, Verwood Road, a distance of approximately 60 metres. The closure has been requested to allow Wessex Water to replace a manhole cover in the highway. These works are programmed to commence from 20:00 on 13th December 2023 until 02:00 on 14th December 2023.

Wessex Water will publicise the road closure in a number of ways: they will place information boards on the road in this area to inform the travelling public of the works; they will carry out a letter drop to local residents directly affected by the works; and they will sign a vehicular diversion route using the local road network. The following map shows the extent of the closure and the diversion route.

This document is for information only, however if you have any concerns about this proposal, please contact Jamie Igoe, (trafficteam@dorsetcouncil.gov.uk) by 27 November 2023.
