

PROPOSED HIGHWAY WORKS IN YOUR AREA

LOCATION: - A338 Spur Road

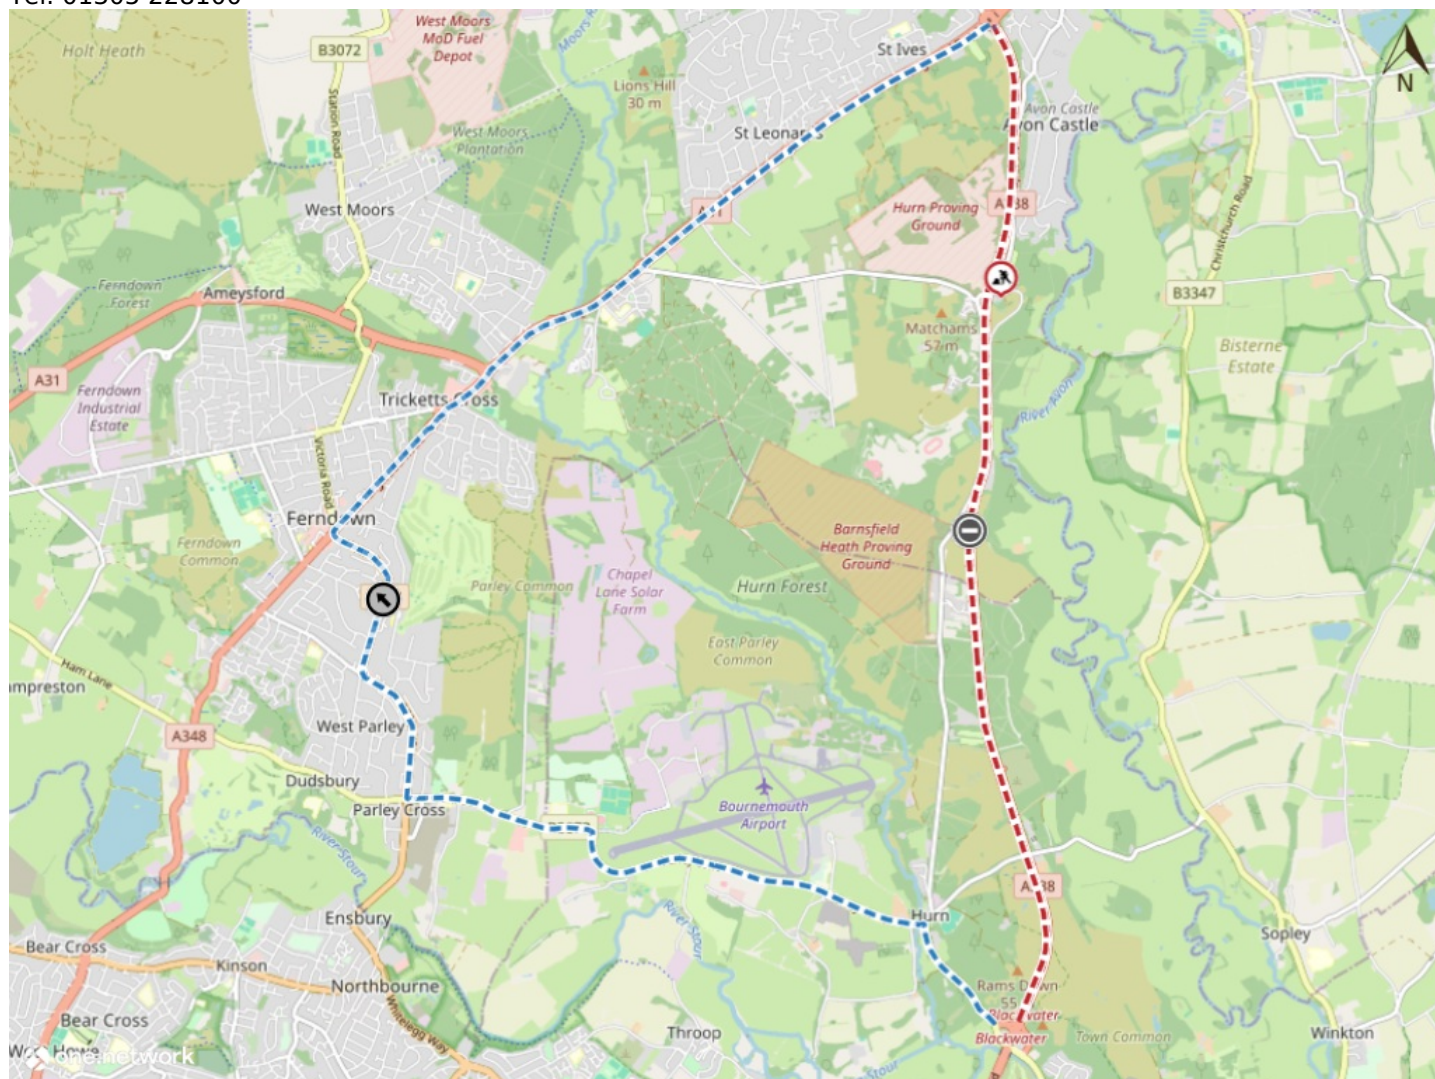

To enable us to carry out essential highway maintenance works, we plan to close A338 Spur Road between the 20th May and 23rd May 2024.

The road will be closed at night between the hours of 21:00 and 06:00, and will re-open to traffic daily. Southbound will be closed for the nights of the 20th into the morning of the 21st of May and northbound will be closed on the night of the 22nd to the morning of the 24th.

We will be carrying out targeted and localised repairs to sections of those roads highlighted in red on the attached map. The recommended diversion route is marked in blue, and this will remain in place for the full duration of the above works. National regulations state that traffic must be diverted onto roads with the same classification as the one that is closed.

If you wish to discuss these works in more detail, please contact me using the details below.

Yours faithfully
Alan Clarke
